

UNIT INSPECTION & PEST CONTROL SCHEDULE

As of March 8, 2011, NaturZone Pest Control has begun service at CPII. They will be treating all building exteriors and trash/recycling areas monthly and the interiors of all units once a year on the second Tuesday of the month, on the same dates as the annual inspection. They will start with Building 4 this year, but next year it will be back on schedule starting with Building 1 in January.

The following are the dates for the annual inspection and interior pest control:

Building 4 – April 12

Building 8 – August 9

Building 5 – May 5

Building 1 – January 10, 2012

Building 6 – June 14

Building 2 – February 14, 2012

Building 7 – July 12

Building 3 – March 13, 2012

Cary Newton will be inspecting all units for plumbing problems, smoke detector operation and the air conditioning system. An inspection result form will be left in the unit. For Casey Realty tenants only, the report will be sent to the Casey Realty office.
