

UNIT INSPECTION & PEST CONTROL 2012 SCHEDULE

NaturZone Pest Control, will be treating all building exteriors and trash/recycling areas monthly and the interiors of all units once a year on the second Tuesday of the month, on the same dates as the annual inspection. If you have pest problems at other times .please call (941) 378-3334 to have NaturZone treat your unit. Note that their contract does not include rodent or flea control. The following are the dates for the annual inspection and interior pest control:

Building 1 – January 10

Building 5 – May 8

Building 2 – February 14

Building 6 – June 12

Building 3 –March 13

Building 7 – July 10

Building 4 – April 10

Building 8 – August 14

Carey Newton will be inspecting all units for plumbing problems, smoke detector operation and the air conditioning system. An inspection result form will be left in the unit. For Casey Realty tenants only, the report will be sent to the Casey Realty office.

If you have any questions or concerns, please call

John Tillman at 941-921-5393, ext. 124

or email JTillman@pcmfla.com

Thank you for your cooperation.
